Refunds New

- dm debra mccraw
- **Forum name:** #Suggestion

Stop lying to people about refunds and give me my refund back I don't know what this is but you just took my money and didn't give me no books or nothing I want my money back or I'm going to take you to court.

Please make sure I get a refund for the order I made. I have not received anything I need to send back. Thank you.

After I called as soon as I placed my order , I still received a book and you all did not stop my order. I am not happy you sent the book anyway and charged my account.
